Enrolment Terms and Conditions

It is the responsibility of the responsible person to ensure the account remains financial, if your account is in arrears you will not be permitted to attend your lessons.

All new enrolments will produce a pro-rata amount in our system to cover any period before your first direct debit payment is processed. This means you will have a payment (amount depends on the enrolment date) due before your first lesson. This pro-rata payment can be made at the customer service desk before you enter for your first lesson.

All booking fees secure a spot in the program, we only provide credit to your family account for the reasons listed in the DKHAC Aquatic Program Absence Policy on our website (www.hobartaquatic.com.au). We require an email from the Responsible Person to be sent to dkhacaquatic@hobartcity.com.au outlining the reason for the absence for the Aquatic Team to process the credit.

To cancel an enrolment an email from the Responsible Person must be received at dkhacaquatic@hobartcity.com.au 3 business days prior to the next direct debiting date, otherwise the account will be billed for the next period.
